<sup>§</sup> Plan of study is a sample. Actual plan of study subject to change based on advising and student goals.

#This plan of study assumes the **foreign language** is completed prior to admission to the university. If a language is required, students may elect to take these courses as electives.

\* **W course requirement:** Students are required to take 2 "W" skill coded courses. DIET 3231W satisfies the "W" in the major. Students **MUST** take the second "W" as a general education or elective. Students who do not complete a second "W" course prior to admission to the program may need to utilize summer or extend their program to complete this requirement.

\*\* Q course placement is based on Math SAT score and Class Rank. Please consult with your academic advisor prior to registering for Q courses.

## These courses need not be taken in the semester indicated; however it is strongly recommended that they be completed prior to the junior year.
