[§] Plan of study is a sample. Actual plan of study subject to substitutions based on advising and student goals.

*Science Electives and Related Cognate –Courses taken depend on career goals and graduate program admission criteria. Some courses require prerequisites. Students should consult with their advisor for appropriate courses to complete this requirement.

** AH *core* and *major* courses may be taken in any order. Not all *major* courses are offered every semester. Courses taken depend on career goals and transfer credits. Please consult with advisor regarding availability.

#This plan of study assumes the **foreign language** is completed prior to admission to the university. If a language is required, students may elect to take these courses in place of some electives. Students may also choose to incorporate a **minor** into their plan of study by utilizing elective credits. It is suggested that students choose a minor depending on their ultimate career goals. Examples of appropriate minor: BUSI, POLS, PSYC, SOCI, WS or cultural studies.

W course requirement: Students are required to take 2 “W” skill coded courses. AH 4241W satisfies the “W” in the major. Students may take the second “W” as a general education, elective, related cognate, or AH *major* course.
