

## **ROSANNE BOREAS LIPCIUS, MS, MT(ASCP)**

### **PERSONAL DATA**

Name Rosanne Boreas Lipcius  
Birthplace Staten Island, NY  
Citizenship USA

### **EDUCATION AND ACADEMIC QUALIFICATIONS**

#### Education/Certification

Bachelor of Science Degree, Medical Technology, 1978, University of Connecticut, Storrs, CT.

Medical Technology Internship, 1978, St. Mary's Hospital, Waterbury, CT.

Professional Certification: MT(ASCP), Registry # 120703, American Society for Clinical Pathology, 1978.

Master of Science Degree, Clinical Microbiology, 1984, Thomas Jefferson University, Philadelphia, PA.

#### Clinical Experience

Staff technologist, Microbiology, St. Mary's Hospital, Waterbury, CT. 1978 to 1979.

Staff technologist, Generalist, Laurel Heights Hospital, Shelton, CT. 1979 to 1981.

Staff technologist, Microbiology, Bridgeport Hospital, Bridgeport, CT. 1981 to 1982.

Staff technologist, Microbiology, Pennsylvania Hospital, Philadelphia, PA. 1982 to 1983.

Laboratory supervisor, Microbiology, William W. Backus Hospital, Norwich, CT. 1983 to 1985.

Laboratory supervisor, Microbiology, Hartford Medical Laboratories, Hartford, CT. 1985 to 1993.

Laboratory supervisor, Serology, Hartford Hospital, Hartford, CT. 1993 to 1996.

#### Academic Experience

Faculty, Hartford Hospital Clinical Laboratory Education Programs, Hartford, CT. Clinical Microbiology and Urinalysis instructor for MT and MLT programs. 1996 to 2001.

Adjunct faculty, Manchester Community College, Manchester, CT. Clinical Microbiology and Urinalysis instructor for MLT program. 1997 to 2001.

Adjunct faculty, University of Connecticut, Storrs, CT. Clinical Microbiology and Urinalysis instructor for MT program. 1997 to 2001.

Program Director, Lecturer, University of Connecticut, Storrs, CT. Program director and instructor for MLS (MT) program. 2001 to present.

## **MEMBERSHIP IN PROFESSIONAL SOCIETIES**

American Society of Clinical Pathology (ASCP)

American Society for Clinical Laboratory Sciences (ASCLS)

Connecticut Society for Clinical Laboratory Sciences (CSCLS)

## **PROFESSIONAL ACTIVITIES**

Advisory Board Member, Manchester Community College MLT Program, Manchester, CT, 2001 to 2004.

Advisory Board Co-Chair, Hartford Hospital Medical Technology Program, Hartford, CT. 2001 to 2012.

Member, New England Consortium for Clinical Laboratory Scientist Recruitment and Retention (NECCLSRR). 2002 to 2006.

Member, NECCLSRR Content Subcommittee, 2005 to 2006.

Advisory Board Chair, Medical Laboratory Sciences Program, University of Connecticut, Storrs, CT. 2012 to present.

## **TEACHING RESPONSIBILITIES**

### **Current courses**

Fall semester	AH 2001, Medical Terminology
	AH 3320, Introduction to Infectious Diseases
	MLSC 3365, Theory of Phlebotomy
	MLSC 4094W, Seminar in Medical Laboratory Sciences
	MLSC 4341, Clinical Microbiology
Spring semester	MLSC 3301, Fundamentals of Medical Laboratory Sciences
	MLSC 3333, Mycology, Parasitology and Virology
	MLSC 4342, Clinical Microbiology Laboratory
	MLSC 4500, Laboratory operations and Professional Practice

### **Previously taught courses**

AH 3121, Immunology for medical Laboratory Sciences

MLS 200, Basic Laboratory Techniques

MLS 213, Clinical Immunology and Virology

MLS 215, Molecular Techniques for Medical Technologists

MLS 272, Urinalysis

MLS 273, Urinalysis Laboratory

MLSC 3100, Introduction to Clinical Microbiology

MLSC 3102, Introduction to Clinical Microbiology Laboratory

MLSC 4366, Phlebotomy Laboratory

## **SCHOLARSHIP ACTIVITIES**

### **Publications**

Mangano K, Kenny A, Abourizk R, Bruno R, Anamani D, **Lipcius R**, Lynch S, Fall P, Kleppinger A, Pesce LK, Walsh S, Dauser D, Prestwood K, Kerstetter J. Evaluating the effect of soy and isoflavones on bone mineral density in older women; A randomized controlled trial. Am Soc Bone Min Res, 2008: 23:M353 (pg S462).

### **Oral Presentations**

Seminar, The ABCs of Hepatitis testing, ASCLS Region I meeting. November 2001.

Roundtable, Laboratory Workforce Strategies in Connecticut, State of Connecticut Allied Health Policy Board. March 2008.

Roundtable, State of Connecticut Office of Multicultural Health's Northeast Region Roundtable Discussion on Racial/Ethnic Minority Women in the Healthcare Workforce. April 2009.

Interview, What is Medical Laboratory Sciences, Wayne Norman Radio Show, WILLI. December 2009.

Roundtable, State of Connecticut Eastern Connecticut Workforce Investment Board, Allied Health Workforce Shortages. April 2001.

Seminar, Emerging and Re-emerging Pathogens, Laboratory Technology and Quality Healthcare in 2011. University of Connecticut. May 2011.

Roundtable, Careers in Microbiology, American Society for Microbiology Eastern Regional Meeting. October 2013.

## **UNIVERSITY SERVICE ACTIVITIES**

Chair, Medical Laboratory Sciences Curriculum and Courses Committee. 2001 to present.

Chair, Medical Laboratory Sciences Admissions Committee. 2001 to present.

Chair, Medical Laboratory Sciences Faculty Committee. 2001 to present.

Member, School of Allied Health Executive Council. 2001 to 2006.

Member, School of Allied Health Curriculum and Courses Committee. 2002 to 2006.

Member, School of Allied Health Non-Tenure Track Faculty Task Force. 2003 to 2006.

Secretary, School of Allied Health Assembly. 2004 to 2006.

Faculty advisor, Medical Laboratory Sciences Club. 2004 to 2006.

Member, School of Allied Health Student Faculty leadership Committee. 2004 to 2006.

School of Allied Health Liaison, University Assessment Planning Committee. 2005 to 2006.

Member, School of Allied Health/Department of Allied Health Sciences Transition Committee. 2005 to 2007.

Member, College of Agriculture and Natural Resources Assessment Task Force. 2006 to 2007.

Member, Department of Allied Health Sciences Scholarship Committee. 2007 to present.

Member, Department of Allied Health Sciences Alumni Relations Committee, 2012 to 2016.

Member, University of Connecticut Inter-Professional Education Curriculum Committee. 2015 to 2017.

Member, College of Agriculture, Health and Natural Resources Lab/Experiential Learning Committee. 2020.

#### **PROFESSIONAL SERVICE**

Self-study reviewer for National Accrediting Agency for Clinical Laboratory Sciences (NAACLS) of the University of Utah Health Science Center for Medical Technology Program. December 2009.

Site visitor for National Accrediting Agency for Clinical Laboratory Sciences (NAACLS) of the University of Massachusetts – Dartmouth Medical Technology Program. December 2010.

Site visitor for National Accrediting Agency for Clinical Laboratory Sciences (NAACLS) of the University of Massachusetts – Lowell Medical Technology Program. April 2012.

Site visitor and paper reviewer for the AQUAD Report for the Department of Medical Laboratory Sciences at UMASS Dartmouth. February 2016.
